# LAMOREAUX LANDING 'ICE' FINGER LAKES VIDAL

FINGER LAKES • NEW YORK • UNITED STATES • NORTH AMERICA

### TECHNICAL DETAILS

#### The Estate

For over twenty years, we have dedicated our winemaking practices to a philosophy of collaboration with our environment. We have meticulously managed twenty estate vineyard blocks through the application of sustainable agricultural practices.

#### Wine Making

This philosophy is continued in our cellar, as we use winemaking techniques that truly express the cool-climate, glacier-carved Finger Lakes region. In our winery, we share a wide selection of well-balanced wines, each crafted in a spirit of exploring the wine and food experience.

#### Food Suggestions

Serve this luscious wine as a dessert, drizzled over fresh cut cantaloupe or peaches, or with croissant bread pudding.

### TASTING NOTES

Aromas of jasmine flowers, orange blossom, and green apple greet the nose, leading into a palate of crisp honeyed pear and caramelized Granny Smith apple. Round, complex, and creamy mouthfeel with layers of flavors from lees aging culminating in a perfectly balanced and satisfying tangerine and mandarin orange finish.

**grape blend. This wine contains allergens, sulfites.**
