

BOGLE FAMILY VINEYARDS

BOGLE CALIFORNIA PORT

CALIFORNIA • UNITED STATES • NORTH AMERICA

TECHNICAL DETAILS

The Estate

Although the Bogle family has been farming since the 1800's, it wasn't until 1968 that the father and son team of Warren and Chris Bogle planted their first 20 acres of wine grapes in Clarksburg, California. Clarksburg is a small farming community nestled in the Sacramento Delta. Today Bogle Vineyards farms over 1,000 acres of wine grapes in the Delta region. Bogle Winery is currently producing 100,000 cases of wine.

Wine Making

Aged 31 months in neutral American oak barrels.

Food Suggestions

Pairs well with dessert such as chocolate, caramel, and strawberries, and Stilton cheese.

TASTING NOTES

Smooth and inviting, the Bogle Petite Sirah Port unfolds with lush layers of boysenberry jam and black raspberries. Aromas of French vanilla and chocolate mocha captivate the nose, with a hint of pipe tobacco on the finish. This dessert wine needs no accompaniment and because Port ages well, it can be enjoyed for the next 20 years.

100% Petite Sirah grape blend.

This wine contains allergens, sulfites.
