JEREZ • ANDALUCIA • SPAIN • EUROPE

TECHNICAL DETAILS

The Estate

During the early years, Bodegas Lustau operated as an 'Almacenista'. The Lustau family began bottling their own sherries and exporting by 1950. In the 1980s they expanded their range and introduced the Almacenista range concept of buying and maturing casks from small bodegas to share excellent quality names and styles with enthusiasts around the world. In 1990 the winery was bought by the family-owned Louis Caballero group. Bodegas Lustau is considered a world-class benchmark for top-quality wines. Lustau produces all styles of sherry, from Manzanilla through to Pedro Ximénez, as well as special bottlings, single cask, VOS and VORS sherries.

Wine Making

A perfect blend of two wines: a dry, mineral and crisp Fino sherry and a sweet and floral Moscatel wine.

Food Suggestions

Pairs well with perfect apéritif if accompanied with olives, nuts or any snacks.

TASTING NOTES

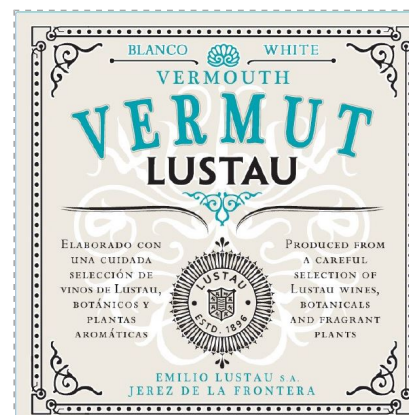

Intense and bright yellow color with golden reflections. On the nose it shows floral, citrusy and herbaceous notes over a yeasty and mineral base. The finish is bitter and clean with a long, nutty and refreshing aftertaste.
