

LUSTAU LUSTAU 'PAPIRUSA' SANLUCAR MANZANILLA

SANLUCAR • ANDALUCIA • SPAIN • EUROPE

TECHNICAL DETAILS

The Estate

During the early years, Bodegas Lustau operated as an 'Almacenista'. The Lustau family began bottling their own sherries and exporting by 1950. In the 1980s they expanded their range and introduced the Almacenista range concept of buying and maturing casks from small bodegas to share excellent quality names and styles with enthusiasts around the world. In 1990 the winery was bought by the family-owned Louis Caballero group. Bodegas Lustau is considered a world-class benchmark for top-quality wines. Lustau produces all styles of sherry, from Manzanilla through to Pedro Ximénez, as well as special bottlings, single cask, VOS and VORS sherries.

Wine Making

Aged following a biological aging, under a veil of yeast called "flor" in the cool, humid, salty air of Sanlúcar de Barrameda, a fishing town on the estuary of the Guadalquivir river.
