

KOSHI TSUKANO

KOSHI TSUKANO 'HIRAI' NIIGATA JUNMAI

NIIGATA • CHUBU • JAPAN • ASIA

TASTING NOTES

From Niigata, the Napa of Japan.

Prized for its pristine water, its immaculate reservoirs are the result of snowmelt from remote mountain ranges that transform into elegant and captivating styles of sake with pure, defined flavors.

Its richness on the palate, and powerful flavors, make this sake magical with spice and complex ingredients that otherwise overpower gentle, light-bodied wines.
