

HEIWA SHUZOU

# HEIWA SHUZOU 'TSURU UME SUMMER ORANGE' WAKAYAMA SAKE

WAKAYAMA • KANSAI • JAPAN • ASIA

## TASTING NOTES

The vibrant, organic fruit from Wakayama is what inspired the Tsuru-Ume series by Heiwa Shuzou. The “Natsu Mikan” or “Summer Orange” is a seasonal limited Tsuru Ume. Drink this sake chilled, or with some ice and sparkling water (this reminds us of orangina soda). According to the importer, oranges are squeezed with the skin left on – this gives the sake bitterness but also zest flavor. Perfect for a hot summer day.
