TASTING NOTES

Cooperstown Select American Blended Whiskey –This highly unique American blended whiskey is made entirely from local New York State grains and patiently aged in hand-picked oak barrels. Made of nothing but 100% American whiskey, it is subtly matured and expertly blended to perfection. It is finished with French Oak for up to a year which conveys a very soft and graceful whiskey. Enjoy it neat or on the rocks for a truly unique sipping experience! 90 Proof
