

HALL OF CHAMPIONS

HALL OF CHAMPIONS SINGLE MALT WHISKEY

NEW YORK • UNITED STATES • NORTH AMERICA

TASTING NOTES

Made from 100% American malted barley, this single malt whiskey ages a minimum of two years in new American oak barrels and is enhanced with Cooperstown Distillery's own proprietary oak and barrel finishing process. Bursting with rich notes of praline, candied apple, and burnt almond it is a true expression of an American single malt. This uniquely detailed golf club decanter pays homage to the Scottish birthright of the game of golf.
