More About This Wine

# LOST REPUBLIC LOST REPUBLIC STRAIGHT BOURBON WHISKEY

#### CALIFORNIA · UNITED STATES · NORTH AMERICA

#### **TASTING NOTES**

Straight Bourbon Whiskey. Premium corn, rye, and barley grains, traditional copper pot still distillation, and premium charred American White Oak barrels blend together to give our Bourbon a unique complexity. Aromas of allspice and apple fill the nose. The palate is pervaded by flavors of caramel, banana, biscuit, cinnamon, and molasses giving way to a robust finish. Best when warming your belly near the fire.
