

CRATER LAKE CRATER LAKE SWEET GINGER VODKA

OREGON • USA • NORTH AMERICA

TECHNICAL DETAILS

Crystallized whole-root ginger gives this vodka a quick zing, followed by a sweetness that leaves a pleasant tingle on the tongue. It's the perfect year-round vodka for all your favorite seasonal cocktails.

TASTING NOTES

Our Sweet Ginger Vodka starts with fresh whole-root ginger that has been crystalized with natural cane sugar. It is then blended with our award-winning Crater Lake Vodka to create a spirit that is rich, complex and layered. The spicy tingle of the ginger hits you first but is then immediately balanced with a subtle sweetness. Like all of our spirits, Crater Lake Sweet Ginger Vodka is 100% natural with no artificial flavors or colors.
