CRATER LAKE HAZELNUT ESPRESSO VODKA

OREGON • USA • NORTH AMERICA

TECHNICAL DETAILS

A quintessential bar staple with a modern twist, Crater Lake Hazelnut Espresso is more than a flavored vodka. It's a sophisticated blend of fresh-brewed coffee and hazelnut with a touch of pure cane sugar. Perfect with coffee, chocolate, or a splash of cream.

TASTING NOTES

Starting with our award-winning Crater Lake Vodka, we infuse fresh brewed espresso and hazelnuts then add a touch of pure cane brown sugar. The result is rich and sophisticated but not too sweet; truly the cleanest and classiest dessert vodka on the market
