AU BON CLIMAT 'BIEN NACIDO' SANTA BARBARA PINOT NOIR

SANTA BARBARA • CALIFORNIA • UNITED STATES • NORTH
AMERICA

TECHNICAL DETAILS

The Estate

Au Bon Climat has a special relationship with the vineyard. In addition to having our winery located on the property, we have custom blocks of fruit with long-term acreage contracts for quality hillside vines dating back to the early 1990s.

Wine Making

These punch downs break up the cap of skins that rise to the surface so the fermentation process extracts the best part of the Pinot grapes. The wine is pressed to complete dryness and goes to barrel with moderate lees. It was aged 20 months in 75% new François Frères French oak barrels.

Food Suggestions

Pairs well with barbecued pork ribs, smoked turkey, wild game or spicy Asian dishes.

TASTING NOTES

An exquisitely elegant, perfumed wine. Dried hibiscus and alpine strawberry take the lead followed by dark cherry, dried cranberry and earthy sage tones. High acid fruit and great structure from oak tannins assist in creating wonderfully balanced wine. Drinking beautifully now and will continue to handsomely evolve for at least a decade.

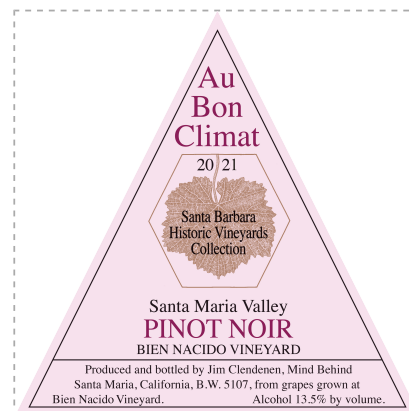

Pinot Noir grape blend.

This wine contains allergens, sulfites.
