AVELEDA VINHO VERDE ALVARINHO

VINHO VERDE • PORTUGAL • EUROPE

TECHNICAL DETAILS

Estate

At Aveleda, innovating is a family tradition. Here, we mix the empirical knowledge in winegrowing acquired through the ages with the latest technology and techniques available. Each successful harvest is the product of the careful dedication we put into uncovering the secrets of our generous terroir that gives back in double the dedication and care we put into it.

Winemaking

Less is more. In viticulture, less grapes per vine means more quality. Its knowledge transmitted to us by the earth and that Aveleda learned to pay attention. Here, in the Vinho Verde Wine Region, we dared to shorten the distance between rows and vines, and the fruit became better, superior and full of flavor.

Food Suggestions

Pairs well with shellfish such as crab and lobster, appetizers and snacks, lean fish, and cured meat.

TASTING NOTES

Pale yellow with hints of gold. Aveleda Alvarinho has discreet aromas of grapefruit, lime, and white flowers in the nose. On the mouth is incredibly structured and smooth, revealing more prominent notes of orange peel and orange tree flowers.

100% Alvarinho grape blend.

This wine contains allergens, sulfites.
