

IMAYO TSUKASA
**IMAYO TSUKASA "BLACK"
JUNMAI**

NIIGATA • JAPAN • ASIA

TASTING NOTES

The faint sweetness in the finish of Junmai sake can be difficult to pair with dishes other than sushi, sashimi and fish. The brew master took heed and developed an outstanding Junmai sake after painstaking research and development. He crafted this groundbreaking extra dry Junmai sake, rich with umami. Its clean finish enhances the savoriness of each dish. Pairs wells with Western cuisine, meats and other strong flavored dishes.
