BOGLE CALIFORNIA CABERNET SAUVIGNON

CALIFORNIA • UNITED STATES • NORTH AMERICA

TASTING NOTES

This bold, medium body wine perfectly balances the aromas and taste. On the nose, aromas of plum and toasty vanilla compliment the earthy flavors with the tart of dark fruits for an cocoa and nutty palate. Opening with dense fruit notes of dried cherry and plum compote, this wine captivates the nose and palate. Hints of clove, nutmeg and burnt caramel are imparted through 14 months of aging in American Oak barrels.

100% Cabernet Sauvignon grape blend.

This wine contains allergens, sulfites.
