CA' MOMI NAPA VALLEY ROSSO

NAPA VALLEY • CALIFORNIA • UNITED STATES • NORTH AMERICA

TECHNICAL DETAILS

The Estate

Ca' Momi is Italian for "House of Momi" and also the name of our family home in Italy. The name comes from local legend (and prior owner of the house) Momi dea Bionda and his obsession with the house and vineyards. Ca' Momi wines are a celebration of his passions and quest for the simple pleasures of life. In Italy, wine is a part of life, which is why we created Ca' Momi; impressive hand crafted Napa Valley and California wines you can enjoy with dinner each night, just as we do.

Wine Making

Weather during the 2021 growing season was ideal for grape ripening, with mild temperatures near the end of the growing season. Yields were lighter, berries and clusters were smaller; flavors were more complex and expressive due to the extended hang time. This was an excellent vintage.

Food Suggestions

Pairs well with pizza, pasta, and BBQ.
