VINA PEDROSA 'CRIANZA' RIBERA DEL DUERO TINTO

RIBERA DEL DUERO • CASTILLA Y LEON • SPAIN • EUROPE

TECHNICAL DETAILS

Serving Temperature: 16-17 °C

8-10 years potential storage in optimal conditions of 13-14 °C and 60% relative humidity, without temperature fluctuations.

Rated as Excellent by D.O. Ribera del Duero Regulatory Council, the vintage 2020 was a dreaming harvest for Viña Pedrosa, more kilos of grapes picked than in 2019 and exceptional quality.

This vintage was marked by heavy rains in April, May and June and as a result more vegetation in the vineyard. The green pruning and the deleafing were essential to keep the vines healthy. It was also crucial a balanced winter pruning and vegetative cover to control vines vigour.

TASTING NOTES

The fruit of passion and patience, this has the temperament and personality of its makers. It is the winery's most emblematic wine and best reflects the style and character of Viña Pedrosa.

Intense cherry red with purple rims. Suggestive and very expressive on the nose, aromas of berries stand out along with delicate aromas of ageing (vanilla, balsamic, coffee, toffee and Chinese ink).

On the palate it is broad, with nerve and succulent tannins. The aftertaste is very persistent and broad.
