MORGAN 'G-17' SANTA LUCIA HIGHLANDS SYRAH

SANTA LUCIA HIGHLANDS • CALIFORNIA • UNITED STATES •
NORTH AMERICA

TECHNICAL DETAILS

The Estate

G17 is a blend of 86% syrah, 10% grenache, and 4% tempranillo sourced primarily from the Santa Lucia Highlands Appellation of Monterey County. Cloudy mornings, mid-day sunshine with strong winds, and evening fog create a cool Region I type climate.

Wine Making

The 2021 growing season commenced with budbreak in mid-March after a cold, dry winter. Very windy conditions during flowering led to below-average fruit set. Classically cool Monterey temperatures continued throughout the growing season, punctuated by brief heat waves that moved ripening along.

Food Suggestions

Pairs well with anything grilled.

TASTING NOTES

This Rhone-style blend has a garnet color highlighted with purple edges. Aromas of red plum, black fruits, violets, and hints of clove jump out of the glass. The wine is medium-plus bodied with crisp acidity, offering a mouthful of red and black fruits supported by licorice.

Syrah grape blend.

This wine contains allergens, sulfites.
