BODEGAS Y VIÑEDOS PUJANZA RIOJA VALDEPOLEO

RIOJA • SPAIN • EUROPE

TECHNICAL DETAILS

The Estate

Finca Valdepoleo is one of the most emblematic vineyards of Bodegas y Viñedos Pujanza. The wine it produces is a clear example of the nature of the area in which it is located, but given a personal touch by Carlos San Pedro.

Wine Making

Spontaneous fermentation took place in small stainless steel vats, separated by soil type. Malolactic fermentation was conducted in the same vats.

Food Suggestions

Pairs well with beef, lamb, veal, and poultry dishes.

TASTING NOTES

This delicious Valdepoleo pours to a black-cherry color, clear and bright. It greets your nose with an attractive and suggestive. Intense, warm aromas, basically of red-berry fruit with subtle notes of black fruit, reminders of scented

blossom and tertiary nuances. Fresh and complex. The palate is delicate with a very round attack. It is a harmonious, complex wine with body and backbone, polished tannins and no sharp edges. Very well-balanced.

Tempranillo grape blend.

This wine contains allergens, sulfites.
