TECHNICAL DETAILS

The Estate

We hope that all of you wine lovers and dog lovers appreciate our family of wines. We make wines of character and complexity, staying true to our roots, because the world already has too many wine wannabes.

Wine Making

The grapes were pressed and clean juice was racked to fermentation vessels. The wine was fermented slowly at low temperatures to preserve fresh fruit flavors and increase complexity. The wine saw some lees mixing during a brief period of aging, building creaminess and complexity.

Food Suggestions

Pairs well with your meal tonight or to be enjoyed by itself any time.

TASTING NOTES

This dry, crisp Pinot Gris displays a vibrant light straw color. Aromas of fresh citrus zest, orchard fruit, and florals balance with mineral notes. The flavor profile is consistent with the aromas and is framed by balanced, crisp acidity, smooth texture, and a fruit-driven finish.

Pinot Gris grape blend.

This wine contains allergens, sulfites.
