

PASSIONE NATURA

PASSIONE NATURA 'UN LITRO' IL LUPO ORANGE

ITALY • EUROPE

TECHNICAL DETAILS

The Estate

Passione Natura was born as an integrated supply chain project. We start from the management of the vineyard to arrive at specific tailor-made vinifications.

Wine Making

Passione Natura works with biodynamic grapes and employs traditional winemaking methods to create honest, regional wines. Intervention is minimal, pesticides are never used and sulphur only sparingly at bottling.

Food Suggestions

Pairs well with shellfish, vegetarian dishes, poultry, lean fish, and mild cheeses.

TASTING NOTES

Deeply aromatic, with fleshy citrus and quince notes. A round and slightly viscous palate, with orange marmalade and a long, dry finish.

This wine contains allergens, sulfites.
