

CASTELLO DI MELETO

CASTELLO DI MELETO VIN SANTO DEL CHIANTI CLASSICO

VIN SANTO DEL CHIANTI CLASSICO • TUSCANY • ITALY • EUROPE

TECHNICAL DETAILS

The Estate

The Castello di Meleto estate consists of 2,470 acres of land, of which 400 acres are dedicated to vineyards. Castello di Meleto is owned by Vitecola Toscana, a joint-stock company controlled by the Schuler family. With the support of the Schuler family, Castello di Meleto has renewed its estate philosophy.

Wine Making

The Chianti tradition of our Vinsanto begins with a special method of harvesting the grapes. This technique allows us to hang the bunches vertically within our stunning vinsantaia, thus beginning the natural drying process. Trebbiano is used in addition to a small selection of Sangiovese and Malvasia. After the drying, vinification takes place in partially filled caratelli and is followed by a very long aging period before the golden nectar is ready to be tasted.

TASTING NOTES

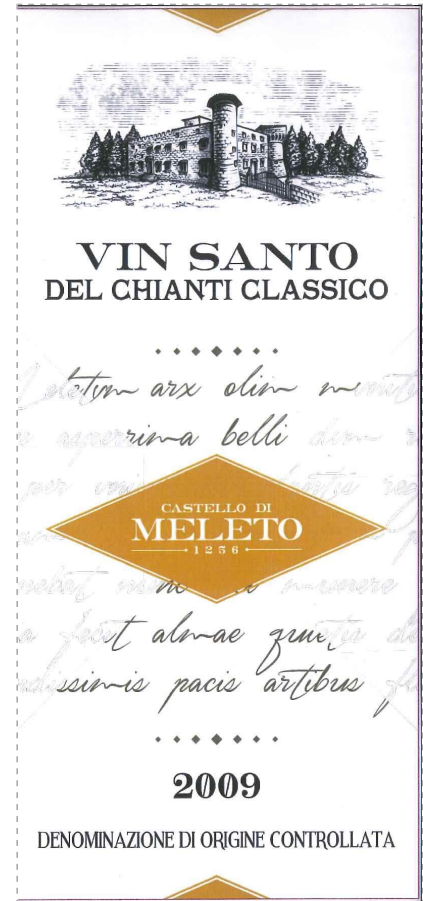

Amber with typical hints of dried fruits, honey, apricot, notes of vanilla and spices. Full and velvety, great structure and roundness. Long and persistent finish with a hint of well-balanced acidity.

Sangiovese & Malvasia grape blend.

This wine contains allergens, sulfites.
