ALAIA 'MARISA' VINO DE LA TIERRA DE CASTILLA Y LEÓN

VINO DE LA TIERRA DE CASTILLA Y LEÓN • CASTILLA Y LEÓN • SPAIN • EUROPE

TECHNICAL DETAILS

The Estate

Prieto Picudo is a widely planted grape in Northern Spain and is often blended with other varietals. Prieto in Spanish means 'dark color', here making reference to the color the grape adds to a wine, Picudo refers to the pointy shape of the compact bunches.

Wine Making

The grapes are carefully selected in the vineyards, taking into consideration the acidity and alcohol level. The grapes are harvested in 14kg boxes, destemmed and slightly pressed in order to extract the best must to make the maceration process more effective.

Food Suggestions

Pairs well with grilled red meat or lamb chops as well as any winter stew.
