Food Suggestions
Pairs well with beef, lamb, veal, and poultry dishes.

TASTING NOTES

This delicious red pours to an intense, black-cherry red colour, clear and bright. The nose is complex subtle aromas on the nose, with great balance and concentrated aromas. The fruit appears riper than in the other Pujanza wines because it has a much more Mediterranean character due to the situation of the vineyard in a small valley. On the palate it is long, balanced and full of flavour, with very good acidity which is vitally important for its evolution in the bottle. Elegant.

Tempranillo grape blend.
This wine contains allergens, sulfites.
