RASA 'QED CONVERGENCE' WALLA WALLA RED BLEND

COLUMBIA VALLEY • WASHINGTON • UNITED STATES • NORTH
AMERICA

TECHNICAL DETAILS

The Estate

Rasa Vineyards is the realization of our passion, vision and commitment to create a world-class winery focused on producing ultra-premium, terroir specific wines from Eastern Washington and Northeastern Oregon.

Wine Making

Elevage was 18 months in 20% new French oak and 80% neutral French oak.

Food Suggestions

Pairs well with beef, pasta, veal, and poultry dishes.

TASTING NOTES

This blend features Syrah, Grenache, Mourvèdre and Viognier. The oak (30 months in new French) is primary right now, with aromas of vanilla bean and coffee along with dark berry and thistle. It's supple in feel with a long finish. Additional time in the bottle should serve it well. Round and fruit forward, red licorice, soft tannins, and spicy, almost briny.

Syrah, Grenache, Mourvèdre & Viognier grape blend.

This wine contains allergens, sulfites.
