

CONTINO

CONTINO ROSADO RIOJA

RIOJA • SPAIN • EUROPE

TECHNICAL DETAILS

The Estate

Contino Rosado represents the estate's commitment to producing elegant wines across all styles while maintaining a strong sense of place. The Rioja Alavesa location allows for fresh, aromatic rosé production thanks to balanced ripening conditions. The wine reflects Contino's estate-driven philosophy and focus on purity of fruit.

Wine Making

Grapes are harvested early to preserve acidity and aromatic freshness. Gentle pressing and cool fermentation in stainless steel help maintain fruit purity. The wine is aged briefly on fine lees to enhance texture and mouthfeel. The style focuses on freshness, elegance, and balance.

Food Suggestions

Pairs well with grilled shrimp, Mediterranean salads, or light pasta dishes. It also complements charcuterie, tapas, and fresh summer cuisine.

TASTING NOTES

Intense color of bright pink raspberry. Elegant aromas of red fruits, complemented by floral notes giving the wine finesse and freshness. A pleasantly balanced rosé, with an extraordinary roundness on the palate. Medium-bodied and persistent, with a refreshing and long finish.

Graciano & Garnacha grape blend.
