FIRST DROP 'FAT OF THE LAND' SEPPELTSFIELD' BAROSSA SHIRAZ

SOUTH AUSTRALIA • BAROSSA • AUSTRALIA

TECHNICAL DETAILS

The Estate

Born in 2004 with a thirst for creating wines meant to be enjoyed, not just admired. First Drop Wines is known for crafting deliciously exciting wines that not only stand the test of time but continue to push the boundaries of innovation.

Wine Making

The second in this producer's top-tier single-vineyard Shiraz line, this wine is sourced from red clay and limestone soils.

Food Suggestions

Pairs well with beef, lamb, deer, venison based dishes.

TASTING NOTES

The fruit is firmly in dates-and-raisins territory, with bass notes of black olive brine, mocha, dried potpourri and butterscotch oak influence. Still-powerful tannins retain a firm grip on the palate—and there's a big lift of acidity—but the fruit weight doesn't quite match. It is in a bit of an awkward stage at the moment.

Shiraz grape blend.

This wine contains allergens, sulfites.
