

DECIBEL

DECIBEL HAWKES BAY NEW ZEALAND PET NAT ROSE

HAWKES BAY • NEW ZEALAND • NEW ZEALAND • OCEANIA

TECHNICAL DETAILS

The Estate

Hawke's Bay is located on the East Coast of the North Island of New Zealand. The region enjoys dry summers with moderate, cool nights. This wine reflects a Malbec grown in the Bridge Pa Appellation on the Heretaunga Plains.

Wine Making

Sparkling wine styles are defined by the way they get their fizz. Pétillant-Naturel, aka pét-nat, is the least interventionist way to sparkle a wine but comes with a lotta risk.

Food Suggestions

Best enjoyed during daylight hours, it's the fizz to serve over a long lunch or to kick off an evening of festivities.

TASTING NOTES

Flourescently pink in the glass and positively bursting with raspberry flavors, this is Fun Wine. Best enjoyed during daylight hours, it's the fizz to serve over a long lunch or to kick off an evening of festivities. Be warned though; once you've had a taste, one bottle may not be enough.

Malbec grape blend.

This wine contains allergens, sulfites.
