TECHNICAL DETAILS

The Estate

Decibel Wines are my vision to create wines using classic practices, minimal intervention, and wines with a community based attitude. These are ideas as old as wine itself and I believe strongly in them.

Wine Making

In classic Decibel style, we are pushing the boundaries a little to bring you this delightfully refreshing fizzy number from BioGro certified organic Chardonnay.

Food Suggestions

Perfect for enjoying poolside on a sunny afternoon, or as a vinous alternative for the hazy or sour beer lover.

TASTING NOTES

This Petillant Naturel is made from Chardonnay that is bottled with its yeast lees to finish fermentation naturally to produce a young, fresh expression of this varietal.
