DECIBEL HAWKES BAY ROSÉ

HAWKE'S BAY • NEW ZEALAND • OCEANIA

TECHNICAL DETAILS

The Estate

Decibel Wines are my vision to create wines using classic practices, minimal intervention, and wines with a community based attitude. These are ideas as old as wine itself and I believe strongly in them.

Wine Making

The juice was settled and fermented in stainless steel tanks using organic nutrients and a certified organic yeast strain, assisting with the long, cool fermentation.

Food Suggestions

Pairs well with shellfish, appetizers and snacks, mild and soft cheeses, and cured meats.

TASTING NOTES

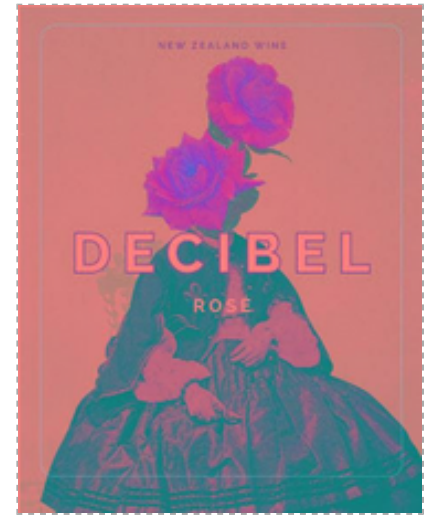

Made from organically grown merlot, this is a winner for afternoons in the sun with aromas of orange blossom, crushed wild thyme, and ripe berries. A seamless transition to the palate with a slightly chalky texture, the tang of a fresh raspberry, and a long mineral finish. You can't go wrong with this moreish number.

Pinot Noir grape blend.

This wine contains allergens, sulfites.
