

CANTINA CASTIADAS

CANTINA CASTIADAS 'NOTTERI' DI SARDEGNA VERMENTINO

VERMENTINO DI SARDEGNA • SARDINIA • ITALY • EUROPE

TECHNICAL DETAILS

The Estate

The Vermentino di Sardegna Notteri from Cantina Castiadas is a white wine that embodies the brightness and vivacity of its land. Produced in the coastal areas of southeastern Sardinia, it benefits from an ideal viticulture climate, thanks to abundant sunshine and sea breezes.

Wine Making

Light maceration on the skins, soft pressing and only the free-run must, after cold decantation, ferments at low temperatures for around 15 days, then rests for another 60 days on the fine lees.

Food Suggestions

Pairs well with fish dishes, seafood, and light starters, as well as more flavorful dishes like seafood risotto or pesto pasta.

[2022 Shelf Talker](#)

TASTING NOTES

It appears light straw yellow with greenish reflections, a sign of its freshness. The nose offers a rich bouquet of citrus, green apple, white peach, aromatic herbs, and wildflowers, making it inviting and complex. On the palate, the Notteri is lively and fresh, perfectly balanced between fresh fruit flavors and a hint of minerality that extends into a long and satisfying finish.

Vermentino grape blend.
