

ESPANITA

ESPANITA SMALL BATCH ARTISANAL GRAPEFRUIT BLANCO

JALISCO • MEXICO • SOUTH AMERICA

TASTING NOTES

Citrusy, fragrant and agave-forward all-natural tequila traditionally distilled in small batches from hand-harvested 100% Blue Agave from the Highlands of Jalisco and slowly infused for 45 days with real Mexican-grown Ruby Red grapefruit according to an original, proprietary recipe.

Enjoy Espanita Grapefruit Tequila chilled, on the rocks, with a dash of sparkling soda for an easy spritz, or use it to create delicious riffs on traditional Paloma cocktail, in Grapefruit Tequila Sour, Grapefruit Margarita and many others.
