

ESPANITA

ESPANITA SMALL BATCH ARTISANAL LIME BLANCO

JALISCO • MEXICO • SOUTH AMERICA

TASTING NOTES

Refreshingly citrusy and aromatic all-natural tequila traditionally distilled in small batches from hand-harvested 100% Blue Agave from the Highlands of Jalisco and slowly infused for 45 days with real Mexican-grown limes according to an original, proprietary recipe.

Enjoy Espanita Lime chilled, on the rocks, with a dash of sparkling soda for an easy spritz, and in tequila-based cocktails such as in a variety of Margarita's riffs, Runch Water, Mexican Mojito and many others.
