

OOLA DISTILLERY

OOLA GIN WASHINGTON

SEATTLE • WASHINGTON • UNITED STATES • NORTH AMERICA

TECHNICAL DETAILS

Founded in 2011, Oola Distillery is located in the Capitol Hill neighborhood of Seattle, Washington. Owner and distiller, Kirby Kallas-Lewis produces hand-crafted gin, vodka, flavored vodkas and bourbon whiskey in small batches. White winter wheat is sourced from a third-generation Washington family farm that's certified organic and Salmon-Safe and the Hungarian Goathorn peppers Kirby uses for his flavored vodka are grown in Yakima Valley.

TASTING NOTES

Cascading aromatics of citrus and rose petal on the nose bloom into the subtle scent of juniper berry. Silky and light bodies on the palate, our gin's velvet mouthfeel is a lush backdrop for a lively coriander and smoky black cardamom. The base spirit of OOLA Vodka leaves a long, finely-textured finish with notes of caramel and vanilla.
