

OOLA DISTILLERY

ALOO GIN WASHINGTON

SEATTLE • WASHINGTON • UNITED STATES • NORTH AMERICA

TECHNICAL DETAILS

The Estate

ALOO Spirits is a Seattle-based spirits brand inspired by Himalayan heritage and global botanicals. ALOO Gin reflects a fusion of traditional gin structure with distinctive spice and floral elements drawn from South Asian flavor traditions.

Production Process

ALOO Gin begins with a neutral grain spirit that is distilled with a curated blend of traditional gin botanicals alongside select Himalayan-inspired spices. The botanical bill is designed to maintain juniper as the backbone while introducing layered spice and floral nuance. Small-batch distillation ensures balance and aromatic precision. The spirit is proofed carefully to preserve both brightness and structure.

Serving Suggestions

Best served in a Gin & Tonic with a citrus peel or light herbal garnish to highlight its aromatic profile. It also performs well in a Martini for a subtly spiced variation on the classic. For a refreshing serve, pair with tonic and a slice of fresh lime or a sprig of mint to accentuate its floral-spice character.

TASTING NOTES

The nose is aromatic and slightly exotic, offering classic juniper layered with cardamom, citrus peel, and delicate floral notes. On the palate, it is smooth and medium-bodied, with pine-forward juniper balanced by warm spice and subtle herbal complexity. Hints of coriander and soft pepper emerge mid-palate, adding depth without sharpness. The texture is clean yet rounded, maintaining clarity of flavor. The finish is dry and gently spiced, with lingering citrus and aromatic warmth.
