TECHNICAL DETAILS

The Estate
In 1908 great-grandpa Giovanni Cielo fell in love and bought the small estate in Montorso, overlooking the Romeo and Juliet castles. Recently, Luca and Pierpaolo Cielo the 4th generation of this great wine producing family, have grown the business to be one of the top exporters from Italy.

Wine Making
Individual vine-growers contribute their grapes to the wineries based on personal cards recording all identification data of the production areas. During vintage, the agronomist in charge verifies the extent of maturation of the grapes and establishes vintage timing accordingly. Upon arrival at the winery, grapes are selected by type, area of origin and sugar content, as these indications are fundamental to determine the wine quality potential. Each bunch is trimmed to increase concentration, grapes are hand picked. Modern temperature controlled fermentation ensures all the bright fresh fruit flavours of the grapes are preserved and transferred into the eventual wine.

Food Suggestions
It is precisely in food pairings that our Pinot Noir shows off its best side. With its gentle tannins and fresh and tasty mouthfeel, it is perfect to accompany all the following recipes: spaghetti with octopus sauce, paella
Valenciana, Sicilian-style tuna steak, meat and vegetable skewers, lasagna, mushroom and sausage pizza, Swedish meatballs, veal rolls with provolone and ham.

TASTING NOTES

That Pinot Noir you love swirling in the glass, with its ruby red colour, vivid and transparent. It makes you hungry. Like the colour, its aromas immediately jump to the nose, with notes of raspberries and cherries. Balsamic scents of freshly cut grass and an energic touch of black pepper and licorice gradually add up to the red fruit sensations. Not too fruity, not too spicy, not too herbaceous. A harmonious red wine in the nose and this balance returns with every sip. A fresh and velvety Pinot Noir, with delicate tannins and a tasty and fruity persistence.
