DHOS

DHOS GIN

OREGON • UNITED STATES • NORTH AMERICA

TECHNICAL DETAILS

Dh?s Gin Free is sugar free and zero calories! Reduce calories by over 96 per serving with a ‘Low-Dhos’ gin & tonic! Simply replace your favorite gin in your mixed drink & enjoy.

TASTING NOTES

The aroma presents vibrant essences of fresh pine, juniper berries, dried citrus, candied lemon, fresh spearmint, chalk, and wet earth. Dh?s Gin Free offers the unique combination of hot and cooling sensations on the palate, starting with warming spice and fading to a refreshing menthol and licorice root on the finish. There is a coriander and fennel seed spice and intensity in the aroma that fades to flavors of wintergreen and spearmint that persist on the palate in a traditional gin influenced fashion. This tasty non-alcoholic spirit leaves a balanced combination of spice and earth influenced flavors reminiscent of traditional Gin and leaves the palate inspired to take another sip.
