

DHOS

DHOS VODKA FREE

OREON • UNITED STATES • NORTH AMERICA

TECHNICAL DETAILS

DHOS Vodka Free is produced with carefully selected natural ingredients, including a potato base combined with unique horseradish extract, which gives a hint of warmth and complexity on the palate. Each batch is distilled and blended to create a fresh, neutral spirit that mirrors traditional vodka's depth and texture.

TASTING NOTES

DHOS Vodka Free offers a subtle aroma of peach and citrus, with a cool, clean mouthfeel. On the palate, you'll experience a delicate white peach flavor, balanced with cooling notes on the back and upper palate. A light heat lingers for a refined finish, adding character that pairs well in cocktails or on its own with a splash of soda.
