

TENUTE ORESTIADI

TENUTE ORESTIADI TERRE SICILIANE IGP NERELLO MASCALIESE ROSATO

SICILIA • SICILY • ITALY • EUROPE

TECHNICAL DETAILS

The Estate

In the heart of Sicily we produce wines with the aim of tracing routes that unite the people of the Mediterranean. Ours is a young company that collects and vinifies the best grapes grown on the island: from the Belice Valley to the slopes of Mount Etna. The Gibellina area.

Wine Making

Agile and mineral. From the sandy soils of Western Sicily comes a monovarietal from Nerello Mascalese grapes. The contact with the skins lasts for a few hours, at a controlled temperature, in order to obtain a slight release of color before the fermentation process. An eclectic wine by nature, an ideal companion for any occasion: from aperitif to brunch, but also for lunch with friends.

Food Suggestions

Pairs well with busiate alla trapanese, aged cheeses and grilled mushrooms. Also good with appetizers and seafood main courses.

[2023 Shelf Talker](#)

TASTING NOTES

The Nerello Mascalese Rosato by Tenute Orestiadi is characterized by its broad bouquet, with fruity scents of blood orange and grapefruit that blend well with the aromaticity of thyme. A pleasant sensation of sapidity and freshness on the palate makes every sip an experience to be repeated.

Nerello Mascalese grape blend.

This wine contains allergens, sulfites.
