

BODEGAS VALDEORITE

BODEGAS VALDEORITE CAVA BRUT SELECCIÓN METODO TRADICIONAL ROSADO

CAVA • CATALONIA • SPAIN • EUROPE

TECHNICAL DETAILS

The Estate

Brainchild of Don Manuel López Morenas, the winery was from the start a way to upgrade the land of Extremadura, region well-known for being one of the biggest wine producers with a variety of more than 30 types of different grapes.

Wine Making

The very winery is proof of the purpose of obtaining the best of both worlds, using the latest production technology to benefit from the unique fruits of an exceptional land.

Food Suggestions

Pairs well with a wide variety of appetizers, as well as cold meats, fish and seafood, cheeses and foie gras.

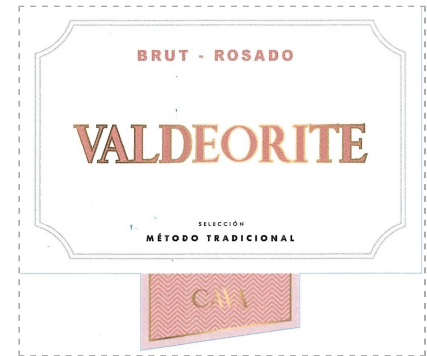

TASTING NOTES

Cava Valdeorite Brut Rosé has an attractive salmon color, clean and bright, with delicate violet hues. As you bring the glass to our nose, captivating aromas of fresh red fruits such as strawberries and raspberries unfold, complemented by subtle notes of tropical fruit. As time passes, a new range of aromas derived from fermentation and aging on the lees is revealed, including dairy and bakery nuances. This wine offers an initial voluminous attack, with a pleasant sensation of unctuous freshness. Within seconds, these sensations intensify, revealing the fruit perceived in the olfactory phase through the retronasal passage.

This wine contains allergens, sulfites.
