PIRO 'POINTS WEST' SANTA MARIA VALLEY CHARDONNAY

CENTRAL COAST • CALIFORNIA • UNITED STATES • NORTH AMERICA

TECHNICAL DETAILS

The Estate

Marc Piro knew he wanted to be a winemaker when he was 9 years old. He sat in the crowded backseat of his family's beige Mercedes diesel station wagon as they drove through the vineyards of Sonoma's Dry Creek Valley, and, inspired, he announced, "Mom, I want a vineyard." Her response was curt, "Well, then, get a good job."

Wine Making

Chardonnay is made by winemaker Marc Piro at the Piro Wine Company in Santa Maria Valley, California. The grapes are grown in a vineyard less than 20 miles from the Pacific Ocean.

Food Suggestions

Pairs well with seafood based dishes such as crabs, scallops, oyster, mussels, clams, pork based dishes, and spaghetti carbonara.
