

TELIANI VALLEY

TELIANI VINEYARDS KAKHETI SAPERAVI

KAKHETI • GEORGIA REPUBLIC • EUROPE

TECHNICAL DETAILS

The Estate

Teliani Valley is a winery making some of the most vibrant, different, fresh, mind altering wines in the world. And doing it with such joy, hope and soul. This is the wine of Georgia – a land blessed with more than 500 grape varieties, a geography and a climate that is God given when it comes to vines, and an approach to winemaking that is at the core of who we are.

Wine Making

Hand-harvested and underwent a 7–10 day skin fermentation period, capturing deep color and structure. Aged mostly stainless steel aging to preserve fruit integrity; some expressions may include oak finishing, though basic “Winery 97” is generally un-oaked.

Food Suggestions

Pairs well with grilled or braised meats, burgers, sausages, lamb, game, and even cured meats or mature cheeses.

TASTING NOTES

The Teliani Vineyards Kakheti Saperavi has an impressively deep purple to nearly black/red, reflective of Saperavi’s teinturier nature and a ripe bouquet featuring sour cherry, blackberry, raspberry, wild berry, and cassis notes. With a medium to full-bodied with crunchy dark fruit flavors, vivid acidity, and firm, grippy tannins and a trendy, tart yet clean finish with structured grip and persistence.

Saperavi grape blend.
