

PAISANO CAFETERO

PAISANO CAFETERO COGNAC

ORIGINAL

SPAIN • EUROPE

TECHNICAL DETAILS

This bottle is crafted in Spain using premium French cognac as its base spirit. It's combined with fresh cold brew coffee to evoke a sophisticated expression of a traditional Spanish carajillo.

TASTING NOTES

On the nose, it greets you with inviting aromas of freshly brewed cold brew coffee intertwined with the rich, oaky warmth of French cognac. When you take your first sip, the liqueur unfolds a balanced taste where smooth, bittersweet coffee melds with the fruit-driven depth of cognac, offering subtle notes of vanilla and dark caramel that evolve into a pleasantly lingering finish. The mouthfeel is silky and full-bodied, but avoids cloying sweetness, making it adaptable for sipping on the rocks or blending into espresso-forward cocktails.
