TECHNICAL DETAILS

The Estate

Linda Donna is an Italian winery (or at least an Italian wine brand) that produces a wide variety of wines, many of them fairly approachable in price and style.

Wine Making

The winemaking emphasizes freshness and the preservation of Moscato's signature aromatics. Grapes are harvested at peak ripeness to capture their natural perfume and vibrant fruit character. Fermentation is carefully managed to retain residual sugar, which gives the wine its characteristic sweetness, while halting before full dryness. Minimal aging is employed, as the wine is intended to be enjoyed young, allowing its bright fruit and floral qualities to shine through.

Food Suggestions

Pairs well with fresh fruit or fruit salads, light desserts (fruit tarts, sorbets, panna cotta), soft cheeses (e.g. creamy cheeses, or something with a mild tang), or with pastries

TASTING NOTES

Linda Donna Pavia Moscato is a sweet, aromatic wine that showcases the expressive character of the Moscato grape. On the nose, it opens with fragrant notes of ripe yellow peach, honey, rose petals, and delicate linden blossom, accented by a subtle herbal lift of sage. The palate is light and refreshing, with a natural sweetness that is balanced by crisp acidity, keeping the wine lively rather than cloying. Its texture is smooth and aromatic, offering an easy-drinking style with a clean, pleasant finish.
