

OISHII SAKE

OISHII MANGO YUZU VIRGINIA SAKE SPRITZ

VIRGINIA • UNITED STATES • NORTH AMERICA

TECHNICAL DETAILS

Production Notes:

Created with the same sake foundation, flavored with natural mango and Japanese yuzu citrus. Clean label-friendly: no artificial sweeteners, low added carbs, 6% ABV.

Serving Suggestions:

Chilled straight or served in a flute to highlight bubbles. Garnish with a thin yuzu slice or mango cube. Pairs well with sushi rolls, spicy cuisine (think Thai mango salad), or as a standout “lite” aperitif before dinner.

TASTING NOTES

Opens with luscious ripe mango pulp and the aromatic brightness of yuzu zest. The texture is smooth, the carbonation lively, and the citrus-yuzu edge gives a slightly sophisticated twist on the sweetness of mango. Finish is refreshing, balancing tropical fruit richness with citrus clarity.
