

COOPERSTOWN

# COOPERSTOWN 'ELITE SERIES SIGNED GOLF' STRAIGHT BOURBON WHISKEY

NEW YORK · UNITED STATES · NORTH AMERICA

## TECHNICAL DETAILS

### The Estate

The Cooperstown Elite Series blends small-batch bourbon craftsmanship with unique sport-inspired packaging designed to celebrate accomplished athletes. These spirits are as much collector's treasures as they are flavorful bourbon expressions.

### Production Process

Using locally grown New York grains, this bourbon is distilled and aged in new charred oak barrels to build structure and aromatic complexity. The small-batch process ensures attention to detail in each bottling. The presentation — often hand-signed — enhances both spirit quality and collectible value.

### Serving Suggestions

Sip neat or with minimal ice to unlock its layered sweetness and oak influence. For cocktails, try a classic Manhattan to bring forward its spice and caramel notes.

## TASTING NOTES

This golf-themed Elite Series bourbon presents inviting notes of toasted oak, caramel, and vanilla bean on the nose. The palate offers rich layers of butterscotch and clove, balanced with soft rye warmth and gentle baking spice. Mid-palate sweetness integrates with light fruit undertones, while the finish lingers with subtle wood spice. The overall profile is elegant yet approachable, making it a satisfying sip for both bourbon enthusiasts and collectors alike.
