TECHNICAL DETAILS

The Estate

Tzafona Cellars is a boutique winery dedicated to producing high-quality kosher wines that express regional character and balance. Sourcing fruit from premium Ontario vineyards, the winery emphasizes purity, freshness, and food-friendly structure across its portfolio.

Wine Making

Riesling grapes are sourced from cool-climate vineyards within the Niagara Peninsula, where long growing seasons help preserve acidity and aromatic intensity. Fermentation is carried out under kosher supervision in temperature-controlled stainless steel to maintain freshness and varietal purity. The wine is bottled young to highlight its bright, expressive character.

Food Suggestions

This Riesling pairs beautifully with seafood, sushi, and light Asian-inspired dishes. It also complements fresh salads, goat cheese, and poultry with citrus or herb accents. Its crisp acidity and aromatic profile make it an excellent aperitif and a strong option for kosher wine programs and by-the-glass selections.

TASTING NOTES

Pale straw in color, this Riesling opens with lifted aromas of lime zest, green apple, and white peach, accented by subtle floral notes. The palate is crisp and vibrant, delivering bright citrus and stone fruit flavors supported by lively acidity. A gentle mineral edge adds precision and focus. The finish is clean, refreshing, and delicately aromatic.
