

DOMAINE GIRAULT

DOMAINE GIRAULT 'LES GRANDES GENEVRIÈRES' SANCERRE

LOIRE VALLEY • FRANCE • EUROPE

TECHNICAL DETAILS

The Estate

Domaine Girault is a respected family estate located in Crézancy-en-Sancerre, farming vineyards that showcase the diversity of Sancerre's soils and exposures. The Girault family emphasizes meticulous vineyard work and restrained winemaking to allow site character to lead. Their wines are known for elegance, balance, and classic Loire Valley typicity.

Wine Making

This cuvée is sourced from a single vineyard parcel, selected for its ability to deliver purity and tension in Sauvignon Blanc. Grapes are harvested at peak freshness and fermented in temperature-controlled stainless steel to preserve aromatics. The wine is aged briefly on fine lees to build texture while maintaining clarity and lift. No oak is used, allowing the vineyard's character to remain front and center.

Food Suggestions

A natural pairing for classic Sancerre goat cheeses such as Crottin de Chavignol, this wine also shines with oysters, shellfish, and grilled white fish. Its acidity makes it an excellent match for ceviche or citrus-driven seafood dishes. For vegetarian options, pair with asparagus, herb-forward salads, or dishes featuring fennel and spring vegetables.

TASTING NOTES

The *Les Grandes Genévrières* opens with aromas of lemon zest, white peach, and crisp pear layered with subtle floral and herbal notes. On the palate, it is focused and energetic, offering flavors of citrus, green apple, and a touch of gooseberry. Bright acidity provides drive and freshness while a fine mineral thread adds texture and depth. The wine shows excellent precision through the mid-palate with no excess weight. The finish is clean, saline, and lingering, marked by flinty nuances.

Sauvignon Blanc grape blend.
