DOMAINE GIRAULT 'CHÊNE MARCHAND' SANCERRE

LOIREVALLEY • FRANCE • EUROPE

TASTING NOTES

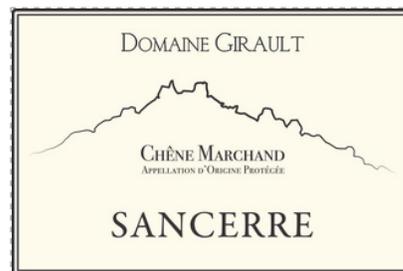

The *Chêne Marchand* displays refined aromas of lemon peel, white peach, and pear, accented by white flowers and crushed stone. The palate is elegant and tightly focused, offering citrus, green apple, and subtle saline notes. Bright, well-integrated acidity gives the wine lift and length, while the limestone soils contribute a chalky, mineral-driven texture. The mid-palate is poised and precise, showing excellent purity of fruit. The finish is long, clean, and mineral-forward with lingering citrus and flint nuances.

Sauvignon Blanc grape blend.
