

HERBAL OASIS

HERBAL OASIS TROPICAL TWIST 2500MG MUSHROOM BLEND

FLORIDA • UNITED STATES • NORTH AMERICA

TECHNICAL DETAILS

Production Notes

This beverage is formulated with a 2500MG proprietary functional mushroom blend designed to support wellness-focused consumption occasions. Tropical fruit flavor components are integrated to create an approachable profile that masks excessive earthiness often associated with mushroom beverages. Carbonation and sweetness are calibrated for refreshment and drinkability. Production focuses on ingredient consistency, stability, and functional beverage positioning.

Serving Notes

Serve well chilled directly from the can or over ice for maximum refreshment. The tropical flavor profile makes it ideal for daytime consumption, wellness routines, or alcohol-free social occasions. It pairs especially well with light snacks, fresh fruit, or outdoor settings where a refreshing functional beverage is desired.

TASTING NOTES

Tropical Twist opens with bright aromas of pineapple, mango, and citrus zest. The palate is juicy and fruit-driven, delivering layered tropical flavors balanced by light botanical undertones from the mushroom blend. Sweetness is moderate and approachable, avoiding an overly syrupy profile. A soft herbal nuance develops through the mid-palate without overpowering the fruit character. The finish is smooth, refreshing, and lightly tropical with lingering citrus and mango notes.

This item does not contain any THC.

These items are only available to be sold in New Jersey.
